

The solution is **simple.**

- **NO ZIPS**
- **NO ROPES**
- **NO STRAPS**
- **NO BUCKLES**

Ziptrak blinds keep areas warm in winter and cool in summer - so you can ENJOY YOUR OUTDOOR LIFESTYLE no matter what the season!

Pull down and push up! It's that EASY to protect yourself from the elements with Ziptrak® track guided blind system.

For sun, wind, rain and UV protection, choose the fabric that you need:

- hi-tech quality solar fabrics,
- PVC tinted, or
- PVC clear.

Specially designed tracks on both sides of the blind enable the fabric to glide smoothly and easily - stopping anywhere you want!

Ziptrak® blinds can be secured and locked in the down position to guard against high winds and UV – no zippers or buckles required, it's that simple.

- Easy-to-use
- Versatile
- Environmentally Friendly
- Manual or motorised

Simply the best track guided blind system.

Easy-to-use

Ziptrak® track guided blind system locks your blind fabric into special tracks, with no gaps at either side to secure against flapping.

Its quick and easy 'pull-down, push-up' action takes out all the hard work of regular blinds and leaves you with an elegant blind that enhances the look and feel of your home or business.

Ziptrak® blind in hi-tech solar fabric

Versatile

Whatever the style of your residence or business, Ziptrak® has a solution for you:

- clear or tinted PVC protects outdoor areas all year round from wind and rain
